Family Gathers At Leo Scholtes Home For Mother's Day

In happy observance of Mother's Day, all the members of the family who were able to be present gathered at the home of Mr. and Mrs. Leo Scholtes, in Pascagoula, Sunday, to celebrate Mother's Day.

And, to make the day a festive one for Mrs. Scholtes, the family came bringing a dinner of stuffed duck with trimmings already cooked and ready to serve.

In addition to Mr. and Mrs. Scholtes, covers were laid for Mr. and Mrs. L. J. Scholtes and daughter, Kathleen, and Mr. and Mrs. George LaFlash, of Gulfport; Mrs. George Gartrell and son, John, of Biloxi.

Dear Fil,

It was with interest that I read your letter to the Readers Forum in the Dec. 1983 issue of the AARP News Bulletin. It is always a pleasant surprise to see the name SCHOLTES in print, as it is an uncommon name in the U.S.A.

For the last several years I have been involved in tracing the SCHOLTES family history, in the U.S.A. and in Luxembourg. My grandfather, Peter Scholtes, his brothers Dominic + Nicholas, and his sister Susan came from Floreweiler, Luxembourg about 1854 and settled at Leasing, Tex. I grew up there and my brother still live there. I have been a professor of psychology in the University of New York system, but am now retired.

There are several other families of SCHOLTES, who also came from Luxembourg + also settled in the Midwest - Iowa, Minnesota, Michigan, Wisconsin. I am trying to determine a relationship. I am interested in your SCHOLTES family. Enclosed is a stamped, self-addressed envelope. Please let me hear from you with information about the SCHOLTES family that you are part of. I look forward to hearing from you.

Sincerely yours,
Mary Ellen Scholtes
